

THE OVE BY INVICTA

Introducing the Ove by Invicta, a spectacular state-of-the-art free-standing wood burning fireplace that adds a designer touch to any room and warmth to any home. This French-made cast iron woodheater creates an irresistible ambience and can help reduce energy bills by reducing reliance on central heating. Winter never looked so inviting...

-
- ⇒ Compact size saves space
 - ⇒ Striking, contemporary design
 - ⇒ Burns up to ten hours on a single load of fuel
 - ⇒ Post-combustion technology injects additional heated air, burning gases and dust, creating a complete burn which results in lower emissions and higher performance heating.
 - ⇒ Environmentally friendly
-
