Design Your Heater

Cassette

Place onto a concrete bench to create a stylish feature in your home.

Legs

The elegant leg design brings a classic look to this modern wood heater.

Pedestal

The pedestal stand brings a premium, contemporary aesthetic into any home.

Store Stand

Integrated wood storage is practical and complements your heater's design.

All products subject to change without warning. Due to the limitations of the printing process, it is not possible to replicate colours exactly in a print format. Please check with your local Pacific Energy retailer for colour samples.

Baffle

304-grade stainless steel baffle returns smoke to produce more heat.

Cooktop

Perfect for boiling a kettle or simmering a soup.

Glass

Large ceramic glass for stunning views of the flame.

Door Handle

Sleek handle design with secure locking provides comfortable access to your fire.

Base Options

Choose from one of four looks:

- Cassette – perfect for a concrete bench.
- Legs – a traditional look for your heater.
- Pedestal – designed to be a centrepiece.
- Store – keep your wood close at hand.

ADD-ONS

+ **Outside Air Adaptor**
Improves performance and boosts efficiency with dedicated outside air supply.

Two Speed Fan
Control comfort with automatic heat distribution.

Colour Options

Stylish colour choices to complement your home.

Firebricks

Refractory firebricks hold the heat for longer, giving you a hotter fire and a longer burntime.

Air Control

Simple wide air adjustment delivers consistent, efficient heat.

Warranty

10-year warranty on porcelain finish, glass (thermal breakage), plating, firebox, and baffle.

3-year warranty on most other parts*

*excludes the following consumables: firebricks, gaskets and ceramic blankets. Terms and conditions apply.
